Hi Kimi,

That sounds great. Treasure is going out to the Mill next week so I think we'll likely meet sometime in the next few weeks regarding this issue.

Thanks!

Hi Mai –
Thanks for the background and heads up! I'm interested in this issue, if you don't mind keeping me looped in.
Thanks, Kimi

Subject: FW: White Mesa Mill License and GW Permit Renewals

Info regarding White Mesa Mill license and permit renewals from the state of Utah. The public comment period has not yet started, but the state extended an early courtesy to the Tribe for comments/discussion. I haven't had a chance to go through the documents yet, but it is on my to-do list for next week.

Subject: White Mesa Mill License and GW Permit Renewals

Scott and Colin,

The public comment period for the White Mesa Mill Radioactive Material License and Ground Water Discharge Permit will begin on May 1, 2017 and close on June 30, 2017. We wanted to provide the Ute Mountain Ute Tribe the opportunity to meet and discuss the documents going out for comment before the public comment period begins.

The documents attached to this email include the following:

1. Public Notice - Public Hearing will be held June 8, 2017 and Public Meeting June 15, 2017.
2. Draft Permit Renewal - Redline/Strikeout
3. Draft Permit Renewal Statement of Basis
4. Public Participation Summary for the 2011 License Renewal Public Comment Period
5. Draft License Renewal - Redline
6. 2016 Technical Evaluation and Env. Assessment (TEEA)
7. TEEA Attachment A - Mildos Assessment
8. Safety Evaluation Report - SFC Alternate Feed Material

Reclamation Plan 5.1 is also going out for public comment and is found on our website at the following link: <https://deq.utah.gov/businesses/E/energyfuels/projects/reclamation-plan.htm>

If you would like to meet or have a conference call to discuss the documents we are available to meet most days up to and including April 28, 2017.

If you have any questions please let me know.

Sincerely,

Phil Goble
Uranium Mills and Radioactive Materials Section Manager
